

Amtec Scientific About us

Amtec
HUMAN CAPITAL

• Ingenuity • Insight • Integrity

INGENUITY: Amtec Human Capital was founded in 1959 and has been providing top-grade technical talent to a myriad of clients throughout the USA for 50 years. Amtec Scientific is a national clinical staffing division of AHC specializing in providing expert clinical trial professionals for both contract and direct hire needs to the pharmaceutical, biotech/biosciences, and medical device industries.

INSIGHT: Strategically located in Southern and Northern California, Denver, Raleigh and Boston, Amtec Scientific has an established network of highly experienced Clinical Research Associates, Clinical Trial Managers, Clinical Project Managers, Field Monitors and Medical Writers located throughout the United States. Skill positions range from Phase 1 Research Specialists to Product Launch Experts and Support

INTEGRITY: Founded by industry experts from Merck, Lilly, Amgen and Abbott Labs, Amtec Scientific provides your company a valuable partner to meeting your clinical trial initiatives by providing your company the necessary human resources to ensure the successful, timely and cost-effective achievement of your clinical research goals.
